

We Honor Veterans Website Tips

(How to get directly to what you want!!)

There is a wealth of information on the We Honor Veterans website to assist you in fully implementing all components of the We Honor Veterans Campaign. Due to this wealth and complexity of the site, it can sometimes be daunting to orient yourself to the location of various items. This tip sheet is developed to assist you in locating the key components needed to advance through Level One and Level Two. Once you are at Level Two, you will be very familiar with all of the resources on this site.
